

Roots

Nuwe roetes na nuwe wêreld

Kulturfes, konferensie en uitstalling

Kom jol en praat saam!

Daar's drama en dans – van storievertellers en prysangers tot gumboots en volkspele. Daar's filmvertonings, kuns en musiek – van rap tot opera, van Bio.has.it en Rocco de Villiers tot Solms Delta en Steve Hofmeyr.

Daar's 'n uitstalling en 'n konferensie wat Afrikaans uit alle hoeke gaan bekyk.

Want dis ons roots.

Daar's die issues van die verlede, maar daar's ook die blink pad vorentoe – nuwe roetes na nuwe wêreld.

As jy lus is vir 'n jol en sommer ook nuut wil dink, is dié een net vir jou.

Al dié pret gebeur op die UWK-kampus. En als is gratis!

So hou **22 en 23 September** oop.

Kuier rond op www.roots-fees.org vir meer inligting. En bespreek by sflanders@uwc.ac.za vir die konferensie.

Roots

New routes to new worlds

Conference, culture festival and museum exhibition

Get ready for a big jol and indaba!

It's a festival with drama and dance – from storytellers and imbongis to gumbboot and riel dancers. And it's a festival with art, film and music – from rap to opera, from Bio.has. it and Rocco de Villiers to Solms Delta and Steve Hofmeyr.

It's also an exhibition and a conference, with the focus on Afrikaans in all its diversity and from all angles.

Because it's about our roots.

There are the issues from the past, but there's also the exciting road ahead – new routes to new worlds.

If you're ready for a jol and eager to think along new lines, Roots is where you need to be!

All the fun is happening on the UWC campus. And everything's free!

So book **22 and 23 September**.
